

CREDITON TOWN COUNCIL

MARCH UPDATE

A CELEBRATION OF YOUTH

Over 20 stalls filled Lords Meadow Leisure Centre at the Celebration of Youth event on 22 January. From Taekwon-Do to Youth Theatre, there was something to appeal to everyone. Organised by Involve Mid Devon, Credition Town Council, Credition Youth Club, Mid Devon Primary Care Network and QE, this event allowed young people to find out about local clubs/groups/opportunities available to them.

Young people were able to give some activities a go on the day, as well as engage in the town council's stallholder challenge with 3 x One4All vouchers up for grabs. Credition Youth Club's lead youth worker, Cath

Kelly, said she "was delighted by the enthusiasm of the participating groups and the wide-range of opportunities available to young people. It was incredible." Check out our webpage www.credition.gov.uk/youth-work to keep up to date!

CREDITON URBAN TASKFORCE [CUT!]

[CUT!] is a volunteer-led initiative, supported by Credition Town Council enabling local community-minded people to help keep our urban environment in better condition, working safely as a group activity. The group aims to tackle the maintenance of our pavements, kerbs, paths and other public areas.

Would you like to help out? Or can you suggest a place in need of urgent attention? With your help [CUT!] can work to benefit residents, visitors and the local economy.

Please contact the town council's Deputy Clerk for info on upcoming projects: reception@credition.gov.uk or scan the QR code to visit the [CUT!] webpage and register your interest. Let's look after Credition!

ANNUAL BUDGET 2024-2025

Investing in Crediton and enhancing our community

Who is Crediton Town Council and what do we do?

Crediton Town Council sits in the first tier of local Government and is the first point of contact for anyone concerned with a community issue. Officers and the 12 elected councillors work hard to deliver local services.

We look after a range of community facilities including allotments, bus shelters, public open spaces, alongside organising a range of civic and community events, including Christmas in Crediton.

Crediton Town Council supports our local community groups and organisations by providing annual grants.

We are committed to ensuring Crediton is a place where people want to live, work and visit by enhancing the built environment, open spaces and services within our remit.

Where will our money come from?

The main source of our income is from Mid Devon District Council as part of your council tax. This part of your council tax is known as the precept. We use the precept to fund the functions and services Crediton Town Council provides.

WITH BIRDS & BEES IN MIND...

Pictured here in February is volunteer warden Peter Please working in partnership with town councillor Giles Fawssett. Volunteers are welcome on scheduled mornings each month. If you want to get involved and join the volunteer WhatsApp group please contact Cllr Fawssett - 07484 878681.

HANGING BASKETS

Reducing costs & environmental impact!

At the budget workshops held in November, the importance of floral displays divided members of the public, with some seeing them as low priority and costly and others rating the way they brighten up the town as one of the highest priorities. With this feedback in mind, at the beginning of June you will see 50 hanging baskets go up around the town, however, this year the focus is going to be perennials and grasses which are pollinator and insect friendly. Not only will these be beneficial for biodiversity, but these plants will only need watering once per week, which will half the watering costs and, with the climate emergency in mind, reduce the total journeys made to Crediton by the contractor,

Here's an idea of the vision board presented to the Community & Environment Committee. We're looking forward to seeing the final result!

IT'S YOUR NEIGHBOURHOOD

Do you look after a green area in Crediton? Almost any outdoor space being cared for by the Crediton community can qualify for the It's Your Neighbourhood (IYN) Competition. Whether it's an existing community garden or small area of disused land that's been given a makeover, the most important part is that it is a community project. Although part of RHS Britain in Bloom, IYN is not competitive. The benchmarking levels are used to recognise and congratulate achievements of the groups entering and also provide feedback and guidance to support their projects in the future.
