- 2001/157 To discuss and agree Crediton Town Council's precept for the financial year 2020-2021. The precept figures had been issued at the December meeting. Cllr Downes expressed concern that we have a bleak future ahead, with a recent budget meeting at Mid Devon District Council implying that service cuts are imminent. Based on this, Cllr Downes proposed increasing the precept to ensure sufficient funds are available should services be cut.

Members discussed this information as well as the Town Council's intended purchase of the Old Landscore School building and agreed that additional funding would be required to restore the building if it is purchased.

The Assistant Clerk explained that the precept is set by the budget figures and advised members that the Town Council has a general fund which is available to use when situations arise that the Council has not been able to predict and budget for. She also advised Councillors of the budget and reserves that have been allocated for the Old Landscore School building.

OCAL COUNCIL

It was **resolved** to increase the precept by 5%, to £261,918.47, as members agreed that the funds allocated for the Old Landscore School building may not be sufficient and therefore an increase in the precept would help ensure sufficient funds are available to restore the Old Landscore School building as a public amenity.
