This authority complied with its financial regulations, payments were supported by invoices, all expenditure was approved and VAT was appropriately accounted for.

No.	Audit Test	Response	Observation	Recommendation	Priority	CTC comments
1	Have invoices been approved as required under Council Financial Regulations? (paragraph 6.3 of the NALC Model Financial Regulations)	No	Invoices have not been approved as required under the Councils Financial Regulation 6.3 which requires that invoices are 'certified by the Town Clerk'.	The Council to review its payment process to ensure that all invoices are certified by the Town Clerk prior to payment being made. This could be done by the Clerk certifying the payments email, prior to the approval by Councillors'	High	FRs to be amended to read "certified by the Town Clerk/Deputy Clerk" Further amendments will be made to FRs at points 6.1, 6.2 and 6.3 regarding authorisation.
2	Have payments been approved as required under Council Financial Regulations? (paragraph 6.9 of the NALC Model Financial Regulations)	No	The practice at the Council is for a listing of receipts and payments to be provided to the Oversight Committee as part of the agenda pack. The committee approval of these 'transactions' is recorded in Minutes, however the listing of payments is not "disclosed within or as an attachment to the minutes of that meeting" as required by the Financial Regulation 6.9.	The Council Council to review how its process for the approval of payment corresponds to the requirements of its Financial Regulations. If necessary the Council amend either its Financial Regulations, or the process in place, to ensure that the actual process and the regulations correspond.	High	Amend Financial Regs to remove "A detailed list of all payments made shall be disclosed within or as an attachment to the minutes of that meeting as these are disclosed on the website in the Agenda Pack for the relevant meeting".

C This authority assessed the significant risks to achieving its objectives and reviewed the adequacy of arrangements to manage these.

High	Deputy Clerk to arrange valuation of War Memorial, bus shelter & Bandstand, Boniface Statue, Millenium Cross & Millenium Clock (?) and ensure reviewed every 5 years, with costs being built into EMR if required.

The precept or rates requirement resulted from an adequate budgetary process; progress against the budget was regularly monitored; and reserves were appropriate.

No.	Audit Test	Response	Observation	Recommendation	Priority	Comments
1	The Council formally set a budget	Yes	It was noted that the budget published on the Council website records VAT as an item of income. For Councils reporting on an accruals basis (such as Crediton) VAT is not an item of income as the VAT balance due is recorded as a debtor and VAT reclaimed is to be credited to the debtor balance and not to income.	The Council to note that VAT reclaimed is not income for budget purposes (and VAT paid/incurred is not expenditure for budget purposes). Budgets should record both income and expenditure nett of VAT.		Error carried over from a previous year, all budget documents/reports will be net of VAT.

2	Does the budget recorded in the Councils accounting system agree to the budget set by Council?	No	The budget recorded in the Councils accounting system does not agree to the budget set by Council. There is a difference of £808 on the 'Mayor's Reception' budget heading.	Council to review the budget recorded in the Councils accounting system to ensure that it agrees to the budget approved.	High	Budget section on Rialtas shows the £808 carried forward from 2023/24 as per minute no. 2024/042.2 of the Full Council meeting on 19 March 2024. The Council to put in place a formal schedule of Fees and Charges	High	Deputy Clerk to create a schedule of Fees and Charges for approval by Oversight on 10 December, ratification by Full Council on 21 January 2025
2	Have fees and charges been subject to review during the financial year?	No	The Council does not have a process for the annual review of fees and charges.	Schedule of Fees and Charges should be subject to annual review as part of the budget setting process.	Medium	Schedule of Fees and Charges to be reviewed annually.

Youth Club uses cash and there has been no identified alternative to date.
4	The Council does not make supplies that would normally require it to be VAT registered	No	The Council makes supplies which could require it to be VAT registered, these are 'stall fees' and 'sponsorship' income.	The Council to review the income identified and clarify whether the correct VAT treatment has been applied. In particular the Council should note the technical difference between 'donations' and 'sponsorship' for VAT purposes.	Medium	Checks to be undertaken to ensure CTC is within VAT limit - this was last done in Sept 2024. 1	Members Allowances have been set in accordance with Members Allowances Regulations 2003.	Yes	The Councils Members Allowance policy states "The levels of allowance paid are agreed by Mid Devon District Council in accordance with national legislation." This is not correct. Members Allowances are set by the Town (or Parish) and not by any other Authority. The requirements is that, when setting allowances, the Town Council should 'have regard' to the report of the Parish Remuneration Panel, this does not mean that they are bound by it.	The Council to review the requirements of the Members Allowances Regulations 2003 and ensure that it sets its allowances in accordance with the Regulations.	High	Members Allowances Regulations 2003 and CTC policy to be reviewed.

Periodic bank account reconciliations were properly carried out during the year.

G

No.	Audit Test	Response	Observation	Recommendation	Priority	Comments
1	Bank reconciliations, and supporting bank statements, have been signed and dated as evidence of independent review (Interim)	No	Bank reconciliations are carried out regularly however it is not currently practice for the supporting bank statements to be initialled as evidence that they have been checked and verified against the bank reconciliation.	When reviewing the bank reconciliation the supporting bank statement, which shows the balance reported on the bank reconciliation, should be initialled and dated as evidence of verification.		Bank reconciliation and supporting bank statement will be checked, initialled and dated by the Chair of Oversight Committee when previous minute are signed.

(interim)	Yes	The Council has recorded grant income from 2023-24 as deferred income, this was picked up as an issue by the External Auditor.	The Council to note that all grants are to be recorded as paid or received by the Council and should not be accrued for. If a grant is received and is to be used in a future accounting year, then this should be managed as an Earmarked Reserve and not as deferred income.	Medium	Any grants still to be spent in next financial year will be moved to an Ear Marked Reserves.

The authority published the required information on a website/webpage up to date at the time of the internal audit in accordance with the relevant legislation.

No	Audit Test	Response	Observation	Recommendation	Priority	Comments
1	The Council has complied with the publication requirements of the ICO Model Publication Scheme for Parish Councils. (This includes a requirement to publish the Annual Internal Audit Report).	Yes	The Council has in place a Publication Scheme, but it appears to be an older version of the ICO model scheme.	The Council should note the legal requirements to publish information in accordance with the ICO Model Publication Scheme (version 3). Although this is not a requirement under the Accounts and Audit Regulations 2015, the Council should note that it is a statutory requirement under the Freedom of Information Act.	•	Town Clerk to review Publication Scheme against ICO Model Publication Scheme (version 3). Actioned 10/12/2024.
