

**Boniface Link Association**  
The Local Link with  
Crediton, Dokkum and Fulda

The Boniface Link Association was set up in 1997 at the request of the Town Council to foster links and be a contact point between Dokkum and Fulda.

The Boniface Link is run by a committee of 6 people at present we also have approximately 20 members who meet socially a few times a year.

During the past year we have welcomed to Crediton football teams from Dokkum and

Fulda who took part with Crediton in a tri-nations competition. We also assisted two young people on an exchange visit to Dokkum.

New members are always welcome to join The Boniface Link this can be done by telephoning the number below.

Should anyone require information about visiting either Dokkum or Fulda socially or to arrange a sporting or other event I do have contact details.

The Crediton contacts are by telephone:
