1811/123

Councillor Reports - At the discretion of the Chairman, to receive reports from Councillors (Town, District, and County) and representatives of the Council - strictly for information only.

Cllr Ross advised that he had attended the following:

- Devon Association of Local Council's (DALC) Conference with Cllr Brookes-Hocking, which was fascinating.
- Campaign for Rural England AGM, which had been enlightening. It highlighted a report regarding housing needs and revealed that government figures are at odds with the actual housing need.
- Neighbourhood Plan meetings at Mid Devon District Council (MDDC) discussing self-build.
- MDDC Community Policy Development Group meeting with Cllr Downes to gain a better understanding of what community means to MDDC.

Cllr Ross also advised:

- Sustainable Crediton have held several 'Chatter Box' sessions and are looking at a new project to encourage pollinators called B-Lines. There is a lot of enthusiasm for the project and Sustainable Crediton would like to collaborate with the Town Council regarding it.
- Sustainable Crediton are holding a 'Clothes Swap' event at Crediton Congregational Church on Saturday, 24th November 2018 between 10.30 am and 2.00 pm.
- Crediton Hospital League of Friends are considering giving a donation to the Dartmoor Search and Rescue Team.
- He has received no word still from Crediton Chamber of Commerce.

Cllr Piercy had attended the following:

- Parish Paths Walk & Talk event at Shobrooke Park, it was a good walk and very informative. They discussed the new model being used by Devon County Council (DCC) to develop and change the P3 pathways and how they are working with land owners for mutual benefit.
- Crediton Diversity Day, which was excellent.

Cllr Brookes-Hocking advised:

- She had attended lots of conferences hosted by various associations including the Heart of The South West (HoTSW) Local Enterprise Partnership (LEP). In relation to HoTSW she explained what is striking is the difference between the plans going forward and the reality on the ground, in terms of the ambitions. The M5 and A38 spine is where the investment is going. As a county there is a vast hinterland which has little transport access. Sometimes you hear they are looking at the Exeter to Okehampton railway line but it doesn't seem to be getting much of a push from government and there is a surprising lack of investment in highway infrastructure. It appears to be patch mend and make do. When attending a national event like the National Association of Local Council's conference it feels like Devon is off the map. Cllr Way confirmed there appears to have been a tremendous amount of hype and money does appear to be an issue. The ambition to get a rail network between Okehampton and Exeter is very frustrating and disappointing as it doesn't seem to be going anywhere. Cllr Brookes-Hocking expressed concern regarding the

imbalance in the county with well-resourced communities in the South and deprived communities in the North.

- At the DALC Larger Councils Committee meeting, an officer from the DCC's Community Team had attended as he wanted to observe and find out what town councils are concerned about. He asked if he could come and observe a Town Council meeting and so he has been invited to attend the Town Strategy Committee meeting being held on Tuesday, 4th December 2018.

Cllr Wyer reported

- He had received a complaint that the steps from QE Drive to Avranches Close are crumbling and dangerous.

Cllr Downes had attended the following:

- MDDC Community Policy Development Group meeting with Cllr Ross. It was clear from this meeting that MDDC understand that Crediton Town Council are leading on the Traffic and Urban Realm Study and the need to address air quality issues in Crediton. There is also money available to start addressing the issues.

Cllr Way reported:

- Shortly he hopes to have the go ahead for the continuation of the DCC Highway Surgeries to be held at Crediton Library.
- He would be interested to receive feedback on the network gas roadworks on the A377. He believes that, so far, they have been managed well and are being staffed during peak periods.
- He recently attended a meeting accompanied by Cllr Wright with the Chief Executive and Solicitor of MDDC to discuss the comments and complaints he had received regarding the sale of the Crediton Council Office building. In particular, the decision being made by only three MDDC Councillors. He asked whether MDDC's Scrutiny Committee could have more powers to send 'call-in' decisions to the full council. The Chief Executive and Solicitor will be writing to Cllr Way with their comments. Cllr Way said that it looks unlikely that it can be done, due to government legislation regarding the cabinet system of governance. He added that there is a move by a group of people in the district to request a referendum on MDDC's governance system, requesting a return to a Committee led system.
- The possibility of an electric bike scheme being introduced in Crediton has still not been decided yet. If successful, it will be linked to 106 funding and will probably be based on the Exeter scheme.
