- Planning application 21/01862/FULL (Change of use from sui generis to the storage and distribution of dairy products (B8) and retention of cold dairy storage building) remains outstanding with the planning authority (Mid Devon District Council)
- Movement of vehicles at anti-social times causes disturbance to residents, with the business accepting deliveries and operating 24 hours a day
- The lack of site management plan and insufficient information about access, which is inappropriate for regular HGV movements
- Arctic HGV deliveries are unable to reverse into premises and use a public right of way opposite to gain access, endangering pedestrians and other vehicle users alike.
