NP Steering Group meetings

The Town Council took the decision to undertake a NP in 2014 and submitted the proposal to MDDC.

The first few meetings included town councillors, members of the public and representatives of community and statutory organisations.

The core Steering Group included town councillors and members of the public.

Steering group meetings were held regularly throughout the plan preparation period on the following dates. The group planned and conducted activities as noted:

2015

to organise the surveys, process the data and review the results; to start identifying the evidence base

07/01/15, 04/02/15, 04/03/15, 15/04/15

to gather evidence; develop and review the project plan schedule; look at examples of made plans

05/05/15, 27/05/15, 03/08/15

to review the evidence base and local documents; to develop the vision, aim and objectives and to start drafting policies; to discuss the style of the plan; to meet MDDC for information and advice; to publicise progress through newsletters and press release

09/09/15, 23/09/15, 07/10/15, 13/10/15, 21/10/15, 18/11/15,

to review vision and objectives, draft policies, meet the district council for further advice, comment and guidance; respond to developments in the light of emerging policies; pursue discussions with DCC regarding pedestrian and vehicle infrastructure in new developments.

13/01/16, 21/01/16, 10/02/16, 02/03/16, 25/04/16, 20/06/16

2017

to comment on district plan and GESP in the light of local priorities; to continue with policies; get Article 4 advice and PDR updates; SEA screening requirement; gather evidence for the NP design statement; discuss High Street traffic issues with consultant

24/01/17, 15/02/17, 16/03/17, 08/06/17, 21/08/18, 13/11/17
