Dear Parents / carers,

Credition Youth Club – Transition Project

We are delighted to welcome your Year 6 pupils to our Transition Project.

We will be working with year 6 pupils to build confidence and resilience ahead of moving on to secondary school. If you live in Credition and / or go to school in Credition you are most welcome.

You will find us at Landscore and Haywards after school – dates below, as well as 2 activity days in the Summer Holidays (when pupils from both schools can come together).

During the summer holidays join us at Credition Youth Club (old Early Birds Building). You can find the Youth Club on Greenaway at the bottom of Tin Pot Steps.

Your Year 6 young people will be supported by Year 7 mentors from QE and from Avanti Hall. So please join us if you are moving onto QE or Avanti.

There is no charge for this project – but please bring a pack lunch to the summer holiday days.
