102 Allotments

a) To consider the following issues and agree a course of action:

- **Vacant plots, Non-cultivation Notices and Notices To Quit.**

The Administrative Assistant reported that a total of 20 Non-cultivation Notices will be issued following recent inspections and 1 Notice To Quit. There are currently no vacant plots.

b) To consider a request from the Barnfield Community Plot for 3 fruit trees to be planted, in addition to 4 existing trees on the plot.

It was **resolved** to grant permission for the Barnfield Community Plot to plant two dwarf fruit trees, in addition to the four existing trees on the plot. (Proposed by Cllr Szabo)

c) To consider matters raised by the Boniface Allotments Association and allotment tenants and agree any actions, including the number of trees on allotment plots.

It was **resolved** to approve the siting of a 6 x 4 ft greenhouse on plot B9 at Barnfield. (Proposed by Cllr Harris)

It was brought to the Committee's attention that three plots have five trees planted on them, therefore exceeding the limit stipulated in the rules. As these are historic issues, some where single plots have merged to become larger plots, no further action was agreed at this time. It was agreed to remind allotment holders of the rules relating to the number and size of trees.

Dr Tearle left the meeting at 19 20.

JAH

- 105 To consider quotations for the watering of Crediton's floral displays for 2021 and agree a course of action.** A copy of the report had been issued prior to the meeting.
Cllr Szabo raised concern that although the Town Council waters the trees on the Town Square, these are the responsibility of Mid Devon District Council (MDDC). It was **resolved** to send an invoice to MDDC to cover 50% of the cost of watering the trees on the Town Square this year. (Proposed by Cllr Szabo, Cllr Cairney abstained)
It was further **resolved** to accept the quotation received from Mr J Hewitt for the watering of Crediton's floral displays for 2021 at a total cost of £5,689.50. (Proposed by Cllr Szabo)
- 106 To discuss the recent vandalism to Newcombes Meadow Toilet Block and agree any actions.**
Cllr Szabo requested that the Town Council contact the local youth worker to advise them of the Town Council's aims with Newcombes Meadow Toilet Block. Other members confirmed that the local youth workers are already working hard to patrol the town and monitor behaviour and that contacting the youth workers would not necessarily help to target the individuals involved in the current anti-social behaviour.
The Assistant Clerk advised the committee of the excess cost if the town council was to claim through its insurance, as well as the cost received to repair the damage to the locking system. It was **resolved** not to claim through the insurance and instead use Town Council funds to repair the damage. (Proposed by Cllr Szabo). Cllr Harris reiterated the need to keep the toilets closed until sufficient CCTV coverage is in place.
- 107 To discuss the idea of putting together a Newcombes Meadow Community Group to carry out voluntary maintenance within the park.** This item was requested by Cllr Martin.
Cllr Martin left the meeting at 7.40 due to technical issues.
Cllr Martin returned to the meeting at 7.41.
It was agreed that since Turning Tides have taken on various maintenance work around the Town, including Newcombes Meadow, this area was already being sufficiently maintained.
- 108 To receive an update on the summer bedding in St Lawrence Green and Newcombes Meadow.**
The Assistant Clerk confirmed that successful tidy-up days had been held at St Lawrence Green and plants ordered ready for planting in the Spring.
Cllr Ross referred to the statement made by Mrs Ross during Public Question Time with regards to the reporting of Sustainable Crediton activity. Mrs Ross requested that the formal reporting structure be followed with Cllr Ross reporting on Sustainable Crediton activities as the nominated Town Council representative.
- 109 To receive an update on the 2021 Britain in Bloom IYN and Pennant Award Competitions.**
Cllr Cairney left the meeting at 19 51 due to technical issues.
Cllr Szabo confirmed that the competitions are due to go ahead as planned, however a contingency has been put in place should government guidance prevent this. 24 groups have been entered into the IYN competition in Crediton, including both primary schools, and these groups are working hard behind the scenes. The judges will be visiting Crediton between 1 and 21 July. The Britain in Bloom Seminar, postponed from last year, will now be held on 3 June and Cllr Szabo will be attending with Mr Bert Jewell and 2 others.
- 110 Clerk's Report**
The Assistant Clerk provided members with an update on the idea to turn the Spinning Path Gardens play area into a community orchard.

Cllr Cochran had met with two individuals involved in the initial idea and they had discussed issues relating to disabled access. The Assistant Clerk confirmed this would be included as a formal agenda item when necessary to discuss project plans moving forward.
Cllr Cairney returned to the meeting at 19 54.

111 Close.

The meeting closed at 19 58.

Dated 14-6-21.....

Dee Ross, Chair Sustainable Crediton

Thank you, councillors.

I am attending the meeting with reference to items 12 and 13.

Item 12 We understood that it had been agreed who was going to adopt which portion of plots in the town as per the minutes of January this year. Both Sustainable Crediton and MDDC have been working on that plan incurring costs and time.

Item 13 We would like to know what the situation is here as we already have a Town Councillor who represents us and reports to the Town council, Councillor John Ross. This also raises the point in that various councilors reported back to the Full Council about Sustainable Crediton activities without talking to us and without being nominated as Town Council representative.

We would like to establish a reporting structure to the council that ensures information is fed to SC and channeled to the TC via the correct procedure to avoid misinformation and so that SC has the opportunity to look after its interests in a proper and safe manner.

We had been putting in place a reporting system as we intend working with resident groups on various plots along the lines of a contact person for each group to save lots of people making enquiries etc. and that everyone gets the right information. St Lawrence Green being the first, we asked a resident and member of both groups to be the contact point, who is not a local councillor.

I will make this statement available to the clerk to accompany the minutes please.

We will be happy to answer any further questions when the items arise. Thank you.
